Data sheet

InvictusC

- InvictusC is a gaming standing desk with cool look and stable structure. We easily adjust the height with the touch of a button, so you can always sit or stand at a comfortable height.
- The InvictusC has a sturdy frame, legs and feet, and the whole desk has super stability.
- The RGB light strip is perfectly integrated with the desk to create an e-sports atmosphere.
- The table top is durable and hardwearing. The matte surface reflects light and protects the eyes.
- It's easy to keep the desk tidy and neat by using the cable management tray under the table top.
